## The Water Valley ISD School Health Advisory Council

The School Health Advisory Council (SHAC) assists the district in ensuring that local community values are reflected in the health education program. The council will address the continued implementation of a coordinate health program including health education, physical education, health services, nutrition services, counseling, healthy school environment, staff health promotion and family/community involvement.

The SHAC meets at least 4 times during the school year.

If you are interested in serving on the SHAC, please complete the application below and email or fax it to:

Dane Hoover
Principal of Students and Operations
